[fr]Hier j'ai convoyÃƒÂ© l'avion de Nangis vers Lezignan oÃƒÂ¹ il sera peint. La mÃƒÂ©tÃƒÂ©o semblait ne pas autoriser un vol direct mais finalement cela a ÃƒÂ©tÃƒÂ© possible en passant au dessus de la couche nuage. Voici une photo prise pendant les ÃƒÂ©vitements du cotÃƒÂ© de Clermont -Ferrand. [/fr][en]Yesterday I flew the plane to Lezignan to were it will be painted. At first it looked as if the direct fly would not be possible due to the weather, but it was possible with some slight deviation and getting over some cloud layers. This is picture taken abeam Clermont-Ferrand.[/en]

[fr]Ce vol a duré 2h01mn pour avaler les 600 km ÃƒÂ  parcourir.[/fr][en]This is a picture of the main EFIS. I fly at 9500ft, indicated airspeed is 129kts, true air speed is 149kts and ground speed 178kts. Total flight time today was 2h01mn for 326 NM.[/en]
