[fr]Cette semaine nous partons en Alsace notre région d'origine. En 1h20mn nous relions Nangis à Mulhouse-Habsheim en survolant les paysages que nous avons souvent traversés en voiture.

Voici Troyes.[/fr][en]This week we fly to our home region, Alsace the most eastern part of France. In 1h30mn we reach Mulhouse, Habsheim is our flying area we often cross on the roads. This is Troyes.[/en]After the day despite light down, Dard got was a great helper during the landing. We had a nice landing together.[/en]un peu pour ÃƒÂ©viter les averses.[/fr][en]We then overfly the Orient Lake near Troyes. The Seine reservoir seems to have been filled up by the recent rains.

The we had to zigzag a bit to avoid a few rainshowers.[/en]
